

REDRESS

78 Ap Liu Street, Sham Shui Po, Hong Kong
+852 2861 0360 | info@redress.com.hk

Redress (www.redress.com.hk) a Hong Kong-headquartered, Asia-focused environmental charity with a mission to accelerate the change to a circular fashion industry by educating and empowering designers and consumers so as to reduce clothing's negative environmental impacts. In 2018, we started the Circular Fashion Programme that runs a wide range of educational activities to encourage better ways to make, buy and dispose of clothes in the Hong Kong consumer community, thus to reduce clothing waste.

VOLUNTEER INTERN - SCHOOL EDUCATION

This person will join the Circular Fashion Programme team, specifically the schools team, to encourage mindful clothing consumption with the future generations and more effectively support schools and teachers to incorporate circular fashion into the curriculum. You will mainly be reporting to the Circular Fashion Programme Manager and supporting the organisation and delivery of our upcoming student education programme targeting both local and international secondary schools.

It is a great opportunity for a motivated individual looking for hands-on work experience in the sustainability, sustainable fashion, environmental education, and/or nonprofit sector.

DETAILS OF THE POSITION

Period: October to December 2023

Time Commitment: A minimum of 2 days per week (including Saturdays in some certain weeks) with flexible working hours

Location: Hybrid remote/in-person including working at Redress' Sham Shui Po office, event locations and your home.

Note: It is a non-paid role.

WHAT YOU'LL DO

- Assist in implementing our flagship primary and secondary school education programmes, including:
 - **Logistics:** preparing materials and setting up venues for the students workshops
 - **Student engagement:** managing student participants including sending reminder messages, taking attendance, answering inquiries, collecting survey forms
 - **Content development:** research, draft and design workshop slides, handouts and assignments
 - **Workshop evaluation:** design workshop surveys to understand participants feedback and analyse results
 - **Reporting:** Draft and design a programme highlights report
- Carry out other ad-hoc tasks as assigned by the team
